Summary

This bill would modify the 2017 Jobs omnibus law so that \$700,000 that was appropriated for a loan for a water infrastructure project, but was never spent, would instead be given as a grant to the Metropolitan Council for a wastewater infrastructure project in the city of Rosemount. This appropriation would have expired at the end of fiscal year 2021, but would now be extended until the end of fiscal year 2025. The bill makes these changes retroactive to July 1, 2017.
